## NAMES OF 20,000 ON HIS PETITION

James E. Watson's Friends File  
Bulky Document Asking Name  
be Placed on Primary Ballot

### JOHN K. GOWDY HEADS LIST

More Than 3,000 Former Progressives Among Number, Messenger Boy Weighed Down by It

A petition bearing the signatures of approximately 20,000 Indiana voters was filed at the office of the secretary of state in Indianapolis Thursday afternoon asking that the name of James E. Watson, Republican candidate for United States Senator, be placed on the ballot at the primary election to be held Mar. 7. Officials in the secretary of state's office were astounded at the size of the huge petition, the largest that had been filed in their experience.

Mr. Watson's campaign headquarters had been swamped with mail during the last week, the petitions pouring in from all parts of Indiana. An attempt was made for a time to keep account of all the names received but this task soon became so difficult that his campaign managers stopped counting the names after the 15,000 mark had been passed.

Mr. Watson's friends were greatly surprised at the large number of names received on the petitions as no effort had been made to obtain such a long list. The signatures were procured by Watson workers throughout the state, friends volunteering to call on Watson supporters.

The names of more than 3,000 former Progressives are known to have been on the petition, which also was signed by about 700 Civil War veterans.

The first name on the petition was that of John K. Gowdy, of this city Civil War veteran and former Republican State chairman, who is spending the winter in Florida. The document contained more than one-half of the names of Republican voters in Rush county and about one-third of the Republican voters of Shelby county.

The stack of paper on which the names were written was almost two feet high. Considerable interest was caused in the State House when the petition was presented.

A messenger boy used both arms in lugging the voluminous petition to the State House. The petition made a bound volume nearly two feet thick. It represents by far the biggest petition filed for any candidate for either Governor or senator.

"I didn't know there were so many Republicans in Indiana," sighed Assistant Secretary of State Conter, a Democrat when he lifted the Watson petition.

### INSTALLATION OF OFFICERS

The Knights of Pythias will have installation of officers Monday night beginning at 7:15.

### Congratulations To--

Fred B. Bell, one of the widely known young farmers of the county, is thirty-seven years old today. He resides in Union township close to Sexton. Mr. Bell is probably the most successful hog raiser in the county. There was a time when Mr. Bell was interested in the lumber game, being engaged in this business in Missouri and Florida, but of late years he has found farming and hog raising more profitable.

## MRS. KATE WILSON DIES EARLY TODAY

Wife of Rich Wilson Succumbs at  
Home Here Following Relapse  
Suffered in Indianapolis

### SPENT ALL OF HER LIFE HERE

Mrs. Kate Wilson, a well known and highly respected woman, wife of Richmond J. Wilson, died this morning at 12:30 o'clock at her home, 405 North Main street. Mrs. Wilson had been in ill health for some time, but had apparently recovered when she suffered a relapse while visiting in Indianapolis three weeks ago. Since then she had been in a critical condition and while her death was expected it nevertheless came as a shock to a large circle of friends and relatives. Death was caused by a complication of diseases.

Mrs. Wilson was sixty-three years old. She was a daughter of the late Dr. W. A. Pugh and had lived in Rushville all her life. She was married to Mr. Wilson on March 25, 1879. Mrs. Wilson was a member of the First Presbyterian church.

Besides her husband she is survived by two daughters, Mrs. A. G. Haydon and Mrs. Carl F. Beher. She also leaves one brother, Finley Pugh, of Los Angeles, Cal. The funeral services will be conducted Sunday afternoon at two o'clock at the late residence by the Rev. D. Ira Lambert, assisted by the Rev. C. M. Yocum. Burial will take place in East Hill cemetery.

## EVERYONE ASKED TO ATTEND

Church Attendance Day Will be Observed Here Next Sunday

All of the churches of Rushville are making a special effort to make Church Attendance Day next Sunday the biggest demonstration of the churches here in recent years. All Protestant congregations and St. Mary's Catholic church are combining their efforts to reach every person in Rushville next Sunday. Whether church member or not, every person living in or near Rushville is urged to attend services at some church in the city. Special sermons in keeping with the spirit of the day will be preached.

## FAILURE DUE TO LACK OF PRAYES

When Endued With Power Through  
it, Catch Step With Christ,  
Counsels Rev. C. M. Yocum

### WEEK OF PRAYER SERVICES

Last One Will be Held Tonight at  
Main Street Christian Church  
Rev. W. M. Whitsitt to Preach

The Rev. C. M. Yocum of the Christian church preached at the week of prayer services at St. Paul's M. E. church Thursday night and tonight at 7:30 the last meeting will be held at the Main Street Christian church, with the Rev. W. M. Whitsitt of the Methodist church preaching the sermon.

Speaking on the subject "Forward with Christ," the Rev. Mr. Yocum said in part: "The idea underlying the week of prayer is a most praiseworthy one. The failures in the church today are largely attributable to a failure to pray. Let the call to prayer be sounded abroad. Let its clarion tones encircle the earth. Let its sweetness touch each heart string and cause it to respond in glorious accord. But when we are endued with power through prayer let us catch step with Christ and go forward with Him."

"But why go forward? Is it not enough to gain Him and live in His presence?"

"First, because it is the will and spirit of Christ that we should do so. Jesus was born in a little land, Christianity was cradled in a narrow-minded, fanatical nation. But when he climbed Olivet his was a world vision and he saw not only Judea but the uttermost parts of the world."

"We must go forward because progress is a law of life. The moment we stop growing we begin dying. Religion is like riding a bicycle; you must keep going or fall off."

"We must progress because it is the spirit of the age and because the opportunity and task impel us. John R. Mott says that three-fourths of the human race is in the midst of stupendous changes economics, social, educational and religious and that an unusual opportunity is now presented for Christian work. Two thousand years ago Christ said "Go." Today three-fourths of the human race know not Christ. The unfinished task is before us. Livingstone refused to go home with Stanley because the work was not yet done."

"In what shall we go forward? In the principles and practice of unity. The sweetest fellowship exists between the religious elements of Rushville. But even yet there is room for closer co-operation. It is impossible that we all see alike but as conformist and non-conformist in Europe fight together tonight in a common cause so let us unite hearts and hands in a common cause against sin."

"Let us go forward in educational work. Let us emphasize the importance of the religious element in education and life. Let us strengthen the church, college and maintain strong student pastors in the state institutions. We must also go forward in evangelization for the city, state, nation and the world present a ripe field."

"Having seen the task pertinent the question, how shall we go forward? Who shall lead us to victory? The bugle calls, the drums beat. Where is our captain? It is forward with Christ. He must be our stay in storms, our counselor in trouble, our strength in battle, our authority in dispute. I have had the privilege of hearing the Cincinnati

## LONTZ REFUSES TO MAKE RACE

Prominent Richmond Manufacture  
Finally Announces he Will Not  
Oppose Finly Gray in Primary

### GRAY OPPONENTS HOPEFUL

Opposition to Him, Which Has Been  
Growing His Last Two Terms  
Finally is Developed

The positive assertion of John M. Lontz, president of the F. & N. Lawn Mower company of Richmond, that he will not be a candidate for the Democratic nomination for congress in this district leaves the field still open for Finly Gray, the incumbent. The opponents of Gray have thirty days in which to bring out a candidate against him as February 7 will be the last day for filing petitions to be a candidate on the primary ballot.

There has been opposition developing to Gray during his last two terms in congress. It almost reached the "breaking-out" stage during the last campaign. At that time there was a political rumor to the effect that Democratic leaders in the sixth district had decided to give Gray one more chance unopposed and then bring out a candidate against him.

Some time ago it became known here that overtures were being made to Mr. Lontz to enter the race against Congressman Gray. The campaign to win Lontz's consent reached a climax Wednesday night when about thirty prominent Wayne county Democrats waited on him and asked for his final decision.

Mr. Lontz held off his friends, promising to make definite announcement Thursday noon, which he did. At that time Benjamin T. Hill, secretary of the company of which Mr. Lontz is president announced that Mr. Lontz would not make the race "for personal reasons." When Mr. Lontz said Wednesday night, he would answer definitely Thursday, his supporters were hopeful and gave out the word that Lontz would accept.

Democratic politicians in Wayne county are convinced that if Mr. Gray is re-nominated for congress next March he will be overwhelmingly defeated at the polls in November, according to the Richmond Palladium. They assert that the voters are tired of Gray and are completely dissatisfied with the policies he has pursued in congress, principally confined to exacting loot from the pork barrel and endeavoring to restore the "spoils" system at the expense of the federal civil service.

Wayne county Democrats regarded Mr. Lontz as the strongest candidate their party could offer this year, and this view throughout the district. It is said that Mr. Lontz would have been able to defeat Representative Gray at the primary election without the least difficulty.

The few Gray supporters in Wayne county, it is said, heaved sighs of relief when it became known that Mr. Lontz would not enter the contest.

Several weeks ago when the Lontz boom was first launched he announced that he would enter the contest, but since then great pressure has been brought to bear upon him to reconsider this decision. It is rumored that opposition on the part of his family finally decided Mr. Lontz to stand pat on his original decision.

## OTHER CANDIDATES MAY FILE PETITIONS

State-Wide Primary Allows Those  
Seeking Nominations For Lower  
Offices Thirty Days

### THEY HAVE UNTIL FEBRUARY 7

Candidates for congress, the legislature or county, township or judicial offices for the next thirty days can file their petitions to have their names placed on the primary ballot to be voted on March 7. The state-wide primary law, which has just been held valid by the state supreme court, provides that candidates of the class mentioned shall file their petitions no sooner than sixty days and no later than thirty days before the primary, which means that they have thirty days between January 7 and February 7.

Today was the last day for candidates for governor, senator, president and vice-president, to file their petitions. This resulted in a grand rush for the secretary of state's office in Indianapolis yesterday, the candidates evidently having a natural aversion for Friday. All candidates for governor and United States senator, president and vice-president had filed petitions Thursday evening, except the Progressive candidates and Leonard B. Ciore, who is going to seek the Democratic nomination for governor as the candidate of the anti-Taggart wing of the party. C. W. Fairbanks, Woodrow Wilson and Thomas R. Marshall will be the only presidential and vice-presidential candidates in the Indiana primary.

## SUPPORT MONEY NOT PAID

Mamie D. Dudgeon Asks Husband  
be Brought up For Contempt

Mrs. Mamie D. Dudgeon has filed contempt proceedings against Jasper Dudgeon, asking that he be cited and show cause why he should not be punished for failing to obey the court's order providing for support money at the rate of \$20 a month. The Dudgeons were divorced in 1912 and under the terms of the decree, Mrs. Dudgeon was to receive \$20 a month for the support of her children. She alleges that he owes her \$60 in back pay. Dudgeon is said to reside in Glenwood. Judge Sparks issued a citation against Dudgeon returnable at nine o'clock next Monday morning.

### NEWS FROM CONSUL GARRELS

Has Affidavits From Survivors Who  
Say Submarine Gave no Warning  
and Was Never Seen.

(By United Press.)

Washington, Jan. 7.—The Vienna foreign office in reply to inquiry of Ambassador Penfield said it had no report on the sinking of the Persia. This was told Penfield Tuesday evening, the state department announced today.

American Consul Garrels, Alexandria, Egypt, today cabled the state department he had affidavits from Charles H. Grant, an American, and twenty other survivors of the liner Persia saying the vessel was sunk without warning and that no submarine was seen.

The officers and crew of the Persia sailed for England before affidavits could be obtained. It is thought possible at the state department that they wished to confer with the British admiralty before making sworn statements.

Long consideration by the president and his cabinet today of the situation created by the sinking of the Persia left the matter standing where it had been—dependent upon information from Austria for solution.

Absolute lack of knowledge upon which to reach a conclusion was responsible. The senate foreign relations committee faced the same absence of facts and adjourned without attempting to discuss the issue.

Certain ones of the cabinet officers showed impatience at the turn affairs have taken. One talked of broken promises and said the situation called for a complete round-up on the whole submarine question, but was unwilling to say what form he thought the round-up should take.

## Amusements

The Princess will show the big feature "Sunday" for the program tonight. Reine Davis is shown in the role that Ethel Barrymore made famous in the stage production of the same name. It is an absorbing drama of the lumber camp and modern society life. A woman's honor is saved. The assailant pays the penalty of his baseness, falling headlong over a cliff into the waters of death. It is a gripping, exciting and heart stirring story presented by an able caste. Tomorrow matinee and night the two act comedy "The Shabbies" will be shown in which Lillian Walker is featured.

The Gem offers a two reel feature "The Masked Substitute" for the first picture tonight. William Dowlan and Gloria Fonda are featured. Miss Fonda was the winner of the Universal beauty contest. It is said to be a strong drama with a number of beautiful scenes. The other picture is a comedy entitled "Getting His Goat." William Garwood and Violet Mersereau are featured. Tomorrow Sidney Ayres and Doris Pawn will be seen in the two act drama "Honor Thy Husband."

Betty Nansen, the eminent tragedienne, who has been in such famous William Fox successes as "A Woman's Resurrection" and "Should A Mother Tell," appears at the Princess Monday matinee and night in her latest Fox photo drama "The Song of Hate" which is based upon Victorien Sardou's world-known "La Tosca." Miss Nansen gave particular study to the character of Floria Tosca, as she met Sardou in Paris during the time he was writing this drama, in which Sarah Bernhardt created the role now played by Miss Nansen.

"Nobody Home," a musical comedy success by Guy Bolton, Paul Rubens and Jerome Kern will be presented at the Shubert Murat Theatre for a limited engagement of one week, commencing Wednesday evening, January 10th, with matinee Wednesday and Saturday, with the original cast headed by Lawrence Grossmith, the inimitable English comedian, Mildred Ealine, Charles Judels, Maude Odell, George Lydecker, Mignon McGibney, Quentin Tod, Helen Clarke, Alison McBain, Nigel Baris, Carl Lyle, Coralie Blythe (Vernon's Castle's sister), Elizabeth Moore, Anne Kelly, Patrice Clarke, Elaine Ford, Rena Manning, Marion Davis, Jeanette Cooks and forty others under the direction of Elizabeth Marbury and F. Ray Comstock direct from a run of six months in Chicago.

The story tells of the coming to New York of a young Englishman, Freddy Popple, brother of the society dancer of the Metropolis, and of his meeting with Tony Miller, the prima donna of the Winter Garden. It being Mr. Popple's first meeting with an actress gives Lawrence Grossmith (Freddy Popple) a splendid opportunity for the display of his subtle humor. In this delightful musical comedy Mr. Kern has far outshone all of his former musical triumphs. "The Magic Melody," "Any Old Night," "You Don't Take a Sandwich to a Banquet," "You Know and I Know," "The San Francisco Fair," "Another Little Girl," "Bed, Beautiful Bed," and numerous song hits which have traveled far in advance of the play.

One of the most charming features of "Nobody Home" is the dancing done by Quentin Ted and Helen Clarke, latest "finds" of Miss Elizabeth Marbury, late managers for the Castles. In Mr. Ted and Miss Clarke the playgoers of this city will have the pleasure of witnessing the very smartest thing in ball room dancing. Their methods are said to be distinct improvements upon most of the recent illustrations of Terpsichore's art. There is a large chorus composed of very pretty girls who wear costumes of the styles of tomorrow, no two of which are the same. The scenery was designed and planned by Miss Elsie De Wolfe, interior decorator for the smart set of New York.

Seats for this attraction can be purchased through the Shubert Murat local representative, Hargrove & Mullin.

Louis G. Price has filed a claim against the estate of the late William Price, demanding \$661.67.

## Head Stopped Up? Can't Breathe? Try the Vick Vap-O-Rub Treatment

Applied in Salve Form Over Throat and Chest Relieves by Inhalation and Absorption.

Vapor treatments are best for inflammations of the air passages. The vapors carry the medication direct to the inflamed surfaces without disturbing the stomach, as internal medicines will do. A very convenient vapor treatment is a good application of Vick's "Vap-O-Rub" Salve over the throat and chest, covered with a warm flannel cloth. The body heat releases vapors that are inhaled with every breath, opening the air passages, loosening the phlegm, and healing the raw surfaces. For deep chest colds, first apply hot wet towels to open the pores. Vick's is then absorbed through the skin, taking out that tightness and soreness. 25c, 50c, or \$1.00.

### DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

### RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

#### Was it Worth It?

Here's a pretty how-do-you-do! President Wilson's honeymoon, cut short by complicated international developments, cost him a cool \$2,739. The question now arises, was it worth the price? And it cost the newspapers of the country \$16,000 to tell the "folks back home" about it. Quite an outlay, what! First there was a special train which could not be induced to run for less than \$400. Then the little item of board and room for the president and his bride run into hundreds—\$480 to be exact. Then the little thing of upkeep for a valet and maid cost the tidy sum of \$128. Auto transportation amounted to \$120. Then such an indispensable adjunct as a stenographer had to eat and sleep. That reduced the presidential bank roll by \$96. Then there are the sleuths. They are just ordinary humans and they eat three meals a day and sleep eight long hours each night. They weren't handing the president anything. Put down opposite seven secret service men \$352. And then they didn't work for nothing either. Their salaries amounted to \$688.

### "TIZ" FOR TIRED AND SORE FEET

Use "Tiz" for puffed-up, burning, aching, calloused feet and corns.

Why go limping around with aching, puffed-up feet—feet so tired, chafed, sore and swollen you can hardly get your shoes on or off? Why don't you get a 25-cent box of "Tiz" from the drug store now and gladden your tortured feet?

"Tiz" makes your feet glow with comfort; takes down swellings and draws the soreness and misery right out of feet that chafe, smart and burn. "Tiz" instantly stops pain in corns, callouses and bunions. "Tiz" is glorious for tired, aching, sore feet. No more shoe tightness—no more foot torture.

Then garage fees and gasoline and amounted to \$48 and the wages of servants a like amount. The salary of the stenographer ran up to \$64 and a little item like tips and fees amounted to \$75. And then, there's flowers, seemingly a small and insignificant item, but the bill of accounts say put down \$240 for flowers.

#### What of The Future

One of the most significant statements since the war began was made lately by Elbert H. Gary, chairman of the United States Steel Corporation, dealing with the future when the warring factions of Europe will have been exhausted. Like many other persons in less influential stations in life, Mr. Gary has seen what may result with the sudden stoppage of foreign buying when the war ends, with a possible boomerang. He very wisely cautions against over-inflation and expecting too much of the future. Such things as he warns against sets the stage scenery for a panic. The great danger of the present prosperous condition due to war orders which have made themselves felt in almost every line of business in some manner or other lies in over-confidence. Here's a very prophetic statement gleaned from Gary's interview.

"But whenever the war shall close, the business of this country will be confronted with new conditions. The purchasing power of the world will have been greatly reduced. Foreign countries who are now buying our products, because compelled, will withdraw their patronage in a large measure. Other nonproducing countries will find their financial resources and credits lessened. More than this, foreign producers, in great need, will strive more diligently than ever to supply the countries that are financially able to pay and at prices based upon cheap labor and low cost as they have perfect right to do.

"Our producers, including our wageearners, will find themselves in commercial antagonism with the most persistent and difficult competition ever experienced, unless this shall be prevented by laws that are reasonable and sufficient. This is not a question of politics, nor for political parties as such. It is one of economics and of good business and it affects all the people. It is a question of the greatest good to the greatest number. There should be an effort to ascertain and establish a line of justice and fairness between the producer and the consumer.

"This is an epoch. Times are serious, perhaps critical. Financial, commercial and industrial interests of this country may be firmly established on an independent and invulnerable foundation, but there must be co-operation between all classes and departments, private and public.

We must be prepared for radical changes in volume, in prices and resources. There is danger of over production, overextension of credit and liabilities, overconfidence. We shall have observed this before and we shall see it again. It is possible the banks will overextend their credits, particularly in favor of foreign interests who offer attractive rates, but they will take care of that matter for themselves.

"We business men should realize there is possible danger ahead in the business outlook and if we proceed with caution, however aggressively we will have done no harm and we may hereafter have reason for congratulation. We have the greatest country with the greatest opportunities and may properly be hopeful and confident."

#### HOOSIER HISTORY

Prepared for the United Press by the Centennial Department of the Indiana Historical Commission.

#### ORDER OF AMERICAN KNIGHTS

Meetings of this order, which succeeded the "Circle" were held as early as August, 1893. The first grand council in Indiana says Foulke was organized by P. C. Wright, Editor of the New York News. The state was divided into four military districts under "Major Generals" which were sub-divided into "Brigadiers" and "Colonels." Harrison Dodd, "A man of romantic disposition, fond of mystery," reveling in senseless, mystical oaths, was elected grand commander. A favorite pass-word of the order was Nu-oh-lac, which spelled, backwards, was suggestive.

### Current Comments

#### A "Freeze-Out."

(Indiana Forum.)

Observation of Jackson Day by the Lafayette Jackson Club was made the occasion for a democratic demonstration. There is much to indicate that those who handled the affair were less concerned in doing honor to one of the patron saints of democracy than in doing injury to the progressive democrats in Indiana who are showing no disposition to stand hatched on the machine program.

In an attempt to make it appear that all is harmony, no one out of sympathy with the candidacy of J. A. M. Adair was permitted to participate in the banquet and Jam, himself, was given the place of honor on the program. It is needless to add that under these conditions everything was harmonious and lovely.

It is a perplexing task to appreciate the methods of these democratic leaders' political thinking. It seems so very obvious that their acts since the opening of the last legislature, have recognized the progressive element of the party only to insult it, that one begins to suspect there is a premeditated plan to drive this element out of the party.

On the other hand this element has shown that it won't drive; that it is democratic to the core and that it will remain in the party and wage its fight there, until one would think that a political leader with only the wit of a canary bird, would begin to think of conciliatory measures which might unify the factions.

Here is an example of what seems to be an unwise policy. Former Mayor Durgan was toastmaster of the Lafayette gathering. He is a good democrat and worthy the honor bestowed upon him but it is known from one end of the state to the other that Durgan and James K. Risk, who is one of the leaders of the progressive element in the democratic ranks, are at outs. It seems to be a personal matter between the two men and the democratic party, such, isn't concerned in the merits of the controversy. The democratic party is concerned at this time in having Risk and his following, which is admitted to be strong, fighting for the party's success and seems a very short sighted policy that permits Durgan and his following to openly insult a man like Risk who has fought democracy's battles for years in Indiana and has rendered service equally as conspicuous as has ever been rendered by Durgan.

The best that can be said of this situation is that it was most unfortunate and unwise.

### QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts before breakfast if your Back hurts or Bladder is troubling you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urina so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

## Kidney Disorders Quickly Relieved

Johnson's Drug Store, the popular druggists, have established a new record in the sale of medicine. They say they don't believe any medicine ought to be paid for unless it does the user some good and they have adopted the plan of selling Solvox, the standard kidney remedy, under a positive guarantee of quick relief from all kidney or bladder misery, or money back without question. This guarantee has created a demand in Rushville that is not merely a passing fancy. It is a medicine that puts the entire pain-racked body into normal condition and gives rigorous health after the many painful disorders caused directly or indirectly by sick kidneys. A change for the better will be seen after the first few doses of Solvox and its continued use will soon tone up the entire system of improperly working organs and give you the desire to live and enjoy life to its fullest.

Solvax is sold under a positive guarantee to refund the money if it does not cure. Ask Johnson's Drug Store about it.

### AUCTION BRIDGE CLUB

To the two regular tables of players, a table of the substitutes of the Auction Bridge Club was added yesterday afternoon when they were charmingly entertained by Mrs. Lee Thomas at her home in North Perkins street. Several gay rounds of Auction Bridge were enjoyed during the afternoon. No prizes were awarded. The delectable luncheon of cabinet pudding, nuts and coffee was served at the close of the afternoon.

### BRIDGE CLUB

Pink and white was the pretty color combination used in the home of Mrs. Will Norris yesterday, when she was the charming hostess to the members of the Bridge Club. Two tables of players enjoyed the informal afternoon of cards. Pink and white roses and greenery were tastefully used to make the home more attractive for the occasion. The dainty luncheon, consisting of pink and white ice cream, kisses, coffee

and nuts, also carried out the color scheme. The pretty honor was awarded to Mrs. Jack Pedigo, the guest of Mrs. Norris.

### GRAND CLUB

The beautiful Reed home in North Main street was made especially attractive yesterday afternoon when Mrs. Theodore Reed delightfully entertained the members of the Grand Club. The afternoon was merrily spent in several rounds of Bridge, three tables participating. The husbands of the twelve members were also invited in to enjoy the sumptuous two-course turkey dinner, during the serving of which the hostess was assisted by the Misses Brown and Scott. After the dinner, a social hour was made even more enjoyable by the beautiful solos rendered by Miss Helen Scott and little Miss Rosaline Reed, the talented daughter of Mr. and Mrs. Rich Reed.

### SURPRISE PARTY

It was quite a surprise to Gus Wilkinson last evening when in honor of his birthday, a jolly crowd of twenty-two burst in upon him, laden with well filled baskets and all good greeting for his birthday. A beautiful pair of gold cuff links were presented to Mr. Wilkinson. Aside from Mr. and Mrs. Wilkinson and family, the guests were Mr. and Mrs. Charles Brown, Miss Laura Trusler, Mr. and Mrs. Will Trennepohl and son, Vernal, Mr. and Mrs. Frank Flint, Mr. and Mrs. Stillwell Wilkinson, Mr. and Mrs. Fred Cochran and children and Mr. and Mrs. Noley G. ## LUSITANIA CASE MAY BE SETTLED

After Leaving Conference With Lansing Today, Bernstorff Says he Will See Him "Once More."

### ONLY QUESTION OF PHRASES

(By United Press.)  
Washington, Jan. 7.—Ambassador Bernstorff, after a fifteen-minute conference this afternoon with Secretary Lansing in which the Lusitania case was discussed, said on leaving that he might speak to the secretary on that subject "once more." It is generally believed the differences have been disposed of. The Lusitania case may be settled any hour. The only difference between this country and Germany in the matter, it became known today, is a question of phrasing. Settlement of the Lusitania incident is regarded by the state department as vitally important at this time as satisfactory action in this case would leave practically no subject of controversy between the two countries.

The most widespread disease in the world today is that dread affliction of the teeth called pyorrhea. Nine out of every ten grown persons have it to some extent. You may have it and be unaware of it. To meet the need for such a daily treatment and to enable everyone to take the necessary precautions against this disease, a prominent dentist has put his own prescription before the public in the convenient

Symphony Orchestra. The instruments were tuned and ready. Leopold Stokowski, that youthful musical genius took his place amidst prolonged applause. The baton was raised. Every member of the orchestra was ready as one man. The signal was given and as the sweet symphonies floated out from the harmoniously attuned instruments my soul was enraptured, and I saw it was a master musician seated before a great instrument. And as I listened I thought of the sweeter symphonies the children of God might play if only all were responsive to the One Master; if only Christ were pre-eminent."

When a man gets as old as I, he is bound to have more or less trouble with the kidneys. At times I have a dull ache across the small of my back and it gets weak and lame. Then the kidney secretions are too frequent in passage, causing me to get up at night. Every time I have been this way, I have procured a box of Doan's Kidney Pills at Johnson's Drug Store, and they never fail to relieve me in a short time."

RUSH COUNTY LOSES  
\$7,371 ON THE DEAL

Suffers as Usual in School Apportionment, Paying in More to State Than is Returned

PER CAPITA THIS YEAR \$2.03

The semi-annual school apportionment made by the state superintendent of public instruction and turned over the auditor of state shows the usual discrepancies between the amounts paid in and the amounts received by certain counties of the state. Rush county is one of these counties, as usual. This county paid the state the sum of \$16,922.15 for school purposes and will receive back the sum of \$9,551.15, showing a loss of \$7,371.

The total amount of the apportionment was \$1,560,302.66 and the counties of the state received back the money at a per capita distribution of \$2.03 for each school child. The total children of school age in the state is 768,622. The county treasurer expects the check for Rush county's share within a few days.

## KICK ON PROPOSED EMBLEM

Veterans Object to Use of Confederate Flag

(By United Press.)

Evansville, Jan. 7.—Farragut Post, G. A. R., of this city and the Dixie Bee Line Association seem to be due for a clash over the design for an official marker to be used along the Bee Line. The local veterans are objecting to the use of the Stars and Stripes along with the flag of the old Confederacy, since the latter has no recognition in the United States. The use of the proposed emblem, the Union shield with the American Eagle resting on the shield, is another point under discussion.

QUICK RELIEF FROM  
CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.  
Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.  
Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.  
No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.  
If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.  
Thousands take one or two every night just to keep right. Try them. 40c and 25c per box. All druggists.

#### Old and New Way To Treat Catarrh

##### Breathing a Germ Killing Air Endorsed by Actual Results

The discovery of Hyomei has wrought a wonderful change in the treatment of catarrh.

Prior to three years ago the medicines ordinarily employed in the cure of this disease were drugs, sprays, lotions, etc. In some instances they benefited, but the improvement was not lasting.

With Hyomei you take into the air passages of your throat and head a balsamic air that goes into the minutest cells, and should effectually kill all germs and microbes of catarrh. Its purpose is to enter the blood with the oxygen, killing the germs in the blood, and restore health to the whole system. Many astonishing testimonials have been received from those who have been helped by Hyomei.

A complete outfit is inexpensive and includes an inhaler, dropper and sufficient Hyomei for several weeks' treatment.

Perhaps the strongest evidence that can be given to doubters, is the fact that Johnson's Drug Store have so much faith in Hyomei that they sell every package under a positive guarantee to refund the money if it does not relieve.

#### PLAINTIFFS ARE ABOUT FINISHED

Expected Defense Would Begin Introduction of Evidence in Miller Will Case Thursday.

#### THREE EXPERTS ON THE STAND

Testify, in Answer to Hypothetical Question, That Mrs. Miller Was of Unsound Mind.

It was expected that the plaintiffs in the suit of Stella Platt and Bertha Tonyes against Leonidas Mull, executor of the will of the late Nancy Miller, Ida Clingman and Mary E. Edmondson, on trial at Shelbyville will finish their side today. Considerable progress was made Thursday.

The greater part of yesterday afternoon's session of court was taken up with the examination of Dr. Leslie C. Sammons, Dr. Charles A. Tindall and Dr. William W. Tindall, as experts, regarding the mental condition of the late Mrs. Miller. A hypothetical question covering seven typewritten pages and including in it all the facts bearing on this point as given in the testimony up to the present time was put to each of the physicians. The three doctors testified that upon the facts as given in the question Mrs. Miller was of unsound mind.

Nearly all of the morning session was taken up with the reading of the depositions of Retta Chamberlain, Thomas Cochrel, John J. Veatch, Amanda Veatch and John Cochrel. Mrs. Platt, one of the plaintiffs was on the stand a short time.

Especially interesting was a newspaper introduced by the plaintiffs. It was a publication printed in Manila and contained an article written by Mrs. Clingman concerning her mother, Mrs. Miller, shortly after the trial of Rella Clingman for the murder of Mrs. Miller's husband.

A number of witnesses from this city who were subpoenaed in the case for today were told they would not be needed.

#### CHRISTMAS SPIRIT TOUCHED A THIEF

Package Opened Today at E. R. Casady's Contained Note Saying Goods Was Unpaid For.

#### WAS LEFT BEFORE CHRISTMAS

The Christmas spirit worked wonders with some shoplifter who had been operating in Rushville, it developed today. That unseen something caused some unknown person, during the holidays, to leave a package in E. R. Casady's dry goods store, a package which, it was learned today when opened, contained goods worth between four and five dollars. Inside the package were these words printed on a card:

"This goods has been returned to Casady's store. Not paid for."

The package was found on the counter by a clerk shortly before Christmas and it was presumed the bundle had been lost by someone. It was stored away with packages un-called for and lost. Today it was opened because the clerks at the store felt that if the loss had not been detected by this time, it never would be. The bundle contained some things which have not been carried in stock for three or four years.

Connersville is agitating a work house or a plan of working the prisoners on the streets as a method of lessening the number of recruits to the county jail from other cities. At present the taxpayers of Fayette county are furnishing food for three men in jail there, two of whom are from Rushville. The punishment of eleven days in jail is said to hold no horror for this class of citizens because they are glad of the opportunity to be inside the warm jail. The two prisoners from this city in jail there were fined for intoxication and as it was their first offense the mayor was unable to send them to the penal farm. It is stated that the officials are tired of boarding the Rushville men, who go there to get "tanked up," and as a solution the county commissioners may be asked to provide for a work house, or at least give the sheriff permission to work the prisoners.

TODAY'S HOOSIER ODDITY  
Seymour, Jan. 6.—The United States is planning to grab a few feet of ground from the city of Seymour, but so far as is known, Seymour will make no protests, diplomatic or otherwise. It was found that the lot on which the new postoffice is to be erected is too narrow by three feet. The plan is to make the sidewalk narrower and to shove the curb a few inches into the alley.

## NAMES OF 20,000 ON HIS PETITION

James E. Watson's Friends File  
Bulky Document Asking Name  
be Placed on Primary Ballot

## JOHN K. GOWDY HEADS LIST

More Than 3,000 Former Progressives Among Number, Messenger Boy Weighed Down by It

A petition bearing the signatures of approximately 20,000 Indiana voters was filed at the office of the secretary of state in Indianapolis Thursday afternoon asking that the name of James E. Watson, Republican candidate for United States Senator, be placed on the ballot at the primary election to be held Mar. 7. Officials in the secretary of state's office were astounded at the size of the huge petition, the largest that had been filed in their experience.

Mr. Watson's campaign headquarters had been swamped with mail during the last week, the petitions pouring in from all parts of Indiana. An attempt was made for a time to keep account of all the names received but this task soon became so difficult that his campaign managers stopped counting the names after the 15,000 mark had been passed.

Mr. Watson's friends were greatly surprised at the large number of names received on the petitions as no effort had been made to obtain such a long list. The signatures were procured by Watson workers throughout the state, friends volunteering to call on Watson supporters.

The names of more than 3,000 former Progressives are known to have been on the petition, which also was signed by about 700 Civil War veterans.

The first name on the petition was that of John K. Gowdy, of this city. Civil War veteran and former Republican State chairman, who is spending the winter in Florida. The document contained more than one-half of the names of Republican voters in Rush county and about one-third of the Republican voters of Shelby county.

The stack of paper on which the names were written was almost two feet high. Considerable interest was caused in the State House when the petition was presented.

A messenger boy used both arms in lugging the voluminous petition to the State House. The petition made a bound volume nearly two feet thick. It represents by far the biggest petition filed for any candidate for either Governor or senator.

"I didn't know there were so many Republicans in Indiana," sighed Assistant Secretary of State Center, a Democrat when he lifted the Watson petition.

## INSTALLATION OF OFFICERS

The Knights of Pythias will have installation of officers Monday night beginning at 7:15.

## Congratulations To--

Fred B. Bell, one of the widely known young farmers of the county, is thirty-seven years old today. He resides in Union township close to Sexton. Mr. Bell is probably the most successful hog raiser in the county. There was a time when Mr. Bell was interested in the lumber game, being engaged in this business in Missouri and Florida, but of late years he has found farming and hog raising more profitable.

## MRS. KATE WILSON DIES EARLY TODAY

Wife of Rich Wilson Succumbs at  
Home Here Following Relapse  
Suffered in Indianapolis

## SPENT ALL OF HER LIFE HERE

Mrs. Kate Wilson, a well known and highly respected woman, wife of Richmond J. Wilson, died this morning at 12:30 o'clock at her home, 405 North Main street. Mrs. Wilson had been in ill health for some time, but had apparently recovered when she suffered a relapse while visiting in Indianapolis three weeks ago. Since then she had been in a critical condition and while her death was expected it nevertheless came as a shock to a large circle of friends and relatives. Death was caused by a complication of diseases.

Mrs. Wilson was sixty-three years old. She was a daughter of the late Dr. W. A. Pugh and had lived in Rushville all her life. She was married to Mr. Wilson on March 25, 1879. Mrs. Wilson was a member of the First Presbyterian church.

Besides her husband she is survived by two daughters, Mrs. A. G. Hayden and Mrs. Carl F. Beher. She also leaves one brother, Finley Pugh, of Los Angeles, Cal. The funeral services will be conducted Sunday afternoon at two o'clock at the late residence by the Rev. D. Ira Lambert, assisted by the Rev. C. M. Yocum. Burial will take place in East Hill cemetery.

## EVERYONE ASKED TO ATTEND

Church Attendance Day Will be Observed Here Next Sunday

All of the churches of Rushville are making a special effort to make Church Attendance Day next Sunday the biggest demonstration of the churches here in recent years. All Protestant congregations and St. Mary's Catholic church are combining their efforts to reach every person in Rushville next Sunday. Whether church member or not, every person living in or near Rushville is urged to attend services at some church in the city. Special sermons in keeping with the spirit of the day will be preached.

## FAILURE DUE TO LACK OF PRAYES

When Endued With Power Through  
It, Catch Step With Christ,  
Counsels Rev. C. M. Yocum

## WEEK OF PRAYER SERVICES

Last One Will be Held Tonight at  
Main Street Christian Church  
Rev. W. M. Whitsitt to Preach

The Rev. C. M. Yocum of the Christian church preached at the week of prayer services at St. Paul's M. E. church Thursday night and tonight at 7:30 the last meeting will be held at the Main Street Christian church, with the Rev. W. M. Whitsitt of the Methodist church preaching the sermon.

Speaking on the subject "Forward with Christ," the Rev. Mr. Yocum said in part: "The idea underlying the week of prayer is a most praiseworthy one. The failures in the church today are largely attributable to a failure to pray. Let the call to prayer be sounded abroad. Let its clarion tones enfold the earth. Let its sweetness touch each heart string and cause it to respond in glorious accord. But when we are endued with power through prayer let us catch step with Christ and go forward with Him."

"But why go forward? Is it not enough to gain Him and live in His presence?"

"First, because it is the will and spirit of Christ that we should do so. Jesus was born in a little land. Christianity was cradled in a narrow-minded, fanatical nation. But when he climbed Olivet his was a world vision and he saw not only Judea but the uttermost parts of the world."

"We must go forward because progress is a law of life. The moment we stop growing we begin dying. Religion is like riding a bicycle; you must keep going or fall off."

"We must progress because it is the spirit of the age and because the opportunity and task impel us. John R. Mott says that three-fourths of the human race is in the midst of stupendous changes economics, social, educational and religious and that an unusual opportunity is now presented for Christian work. Two thousand years ago Christ said 'Go,' Today three-fourths of the human race know not Christ. The unfinished task is before us. Livingstone refused to go home with Stanley because the work was not yet done."

"In what shall we go forward? In the principles and practice of unity. The sweetest fellowship exists between the religious elements of Rushville. But even yet there is room for closer co-operation. It is impossible that we all see alike but as conformist and non-conformist in Europe fight together tonight in a common cause so let us unite hearts and hands in a common cause against sin."

"Let us go forward in educational work. Let us emphasize the importance of the religious element in education and life. Let us strengthen the church, college and maintain strong student pastors in the state institutions. We must also go forward in evangelization for the city, state, nation and the world present a ripe field."

"Having seen the task pertinent the question, how shall we go forward? Who shall lead us to victory? The bugle calls, the drums beat. Where is our captain? It is forward with Christ. He must be our stay in storms, our counselor in trouble, our strength in battle, our authority in dispute. I have had the privilege of hearing the Cincinnati

## LONTZ REFUSES TO MAKE RACE

Prominent Richmond Manufacture  
Finally Announces he Will Not  
Oppose Finly Gray in Primary

## GRAY OPPONENTS HOPEFUL

Opposition to Him, Which Has Been  
Growing His Last Two Terms  
Finally is Developed

The positive assertion of John M. Lontz, president of the F. & N. Lawn Mower company of Richmond, that he will not be a candidate for the Democratic nomination for congress in this district leaves the field still open for Finly Gray, the incumbent. The opponents of Gray have thirty days in which to bring out a candidate against him as February 7 will be the last day for filing petitions to be a candidate on the primary ballot.

There has been opposition developing to Gray during his last two terms in congress. It almost reached the "breaking-out" stage during the last campaign. At that time there was a political rumor to the effect that Democratic leaders in the sixth district had decided to give Gray one more chance unopposed and then bring out a candidate against him.

Some time ago it became known here that overtures were being made to Mr. Lontz to enter the race against Congressman Gray. The campaign to win Lontz's consent reached a climax Wednesday night when about thirty prominent Wayne county Democrats waited on him and asked for his final decision.

Mr. Lontz held off his friends, promising to make definite announcement Thursday noon, which he did. At that time Benjamin T. Hill, secretary of the company of which Mr. Lontz is president announced that Mr. Lontz would not make the race "for personal reasons." When Mr. Lontz said Wednesday night, he would answer definitely Thursday, his supporters were hopeful and gave out the word that Lontz would accept.

Democratic politicians in Wayne county are convinced that if Mr. Gray is re-nominated for congress next March he will be overwhelmingly defeated at the polls in November, according to the Richmond Palladium. They assert that the voters are tired of Gray and are completely dissatisfied with the policies he has pursued in congress, principally confined to exacting loot from the pork barrel and endeavoring to restore the "spoils" system at the expense of the federal civil service.

Wayne county Democrats regarded Mr. Lontz as the strongest candidate their party could offer this year, and this view throughout the district. It is said that Mr. Lontz would have been able to defeat Representative Gray at the primary election without the least difficulty.

The few Gray supporters in Wayne county, it is said, heaved sighs of relief when it became known that Mr. Lontz would not enter the contest.

Several weeks ago when the Lontz boom was first launched he announced that he would enter the contest, but since then great pressure has been brought to bear upon him to reconsider this decision. It is rumored that opposition on the part of his family finally decided Mr. Lontz to stand pat on his original decision.

## OTHER CANDIDATES MAY FILE PETITIONS

State-Wide Primary Allows Those  
Seeking Nominations For Lower  
Offices Thirty Days

## THEY HAVE UNTIL FEBRUARY 7

Candidates for congress, the legislature or county, township or judicial offices for the next thirty days can file their petitions to have their names placed on the primary ballot to be voted on March 7. The state-wide primary law, which has just been held valid by the state supreme court, provides that candidates of the class mentioned shall file their petitions no sooner than sixty days and no later than thirty days before the primary, which means that they have thirty days between January 7 and February 7.

Today was the last day for candidates for governor, senator, president and vice-president, to file their petitions. This resulted in a grand rush for the secretary of state's office in Indianapolis yesterday, the candidates evidently having a natural aversion for Friday. All candidates for governor and United States senator, president and vice-president had filed petitions Thursday evening, except the Progressive candidates and Leonard B. Core, who is going to seek the Democratic nomination for governor as the candidate of the anti-Taggart wing of the party. C. W. Fairbanks, Woodrow Wilson and Thomas R. Marshall will be the only presidential and vice-presidential candidates in the Indiana primary.

## SUPPORT MONEY NOT PAID

Mamie D. Dudgeon Asks Husband  
be Brought up For Contempt

Mrs. Mamie D. Dudgeon has filed contempt proceedings against Jasper Dudgeon, asking that he be cited and show cause why he should not be punished for failing to obey the court's order providing for support money at the rate of \$20 a month. The Dudgeons were divorced in 1912 and under the terms of the decree, Mrs. Dudgeon was to receive \$20 a month for the support of his children. She alleges that he owes her \$60 in back pay. Dudgeon is said to reside in Glenwood. Judge Sparks issued a citation against Dudgeon returnable at nine o'clock next Monday morning.

## NEWS FROM CONSUL GARRELS

Has Affidavits From Survivors Who  
Say Submarine Gave no Warning  
and Was Never Seen.

(By United Press.)

Washington, Jan. 7.—The Vienna foreign office in reply to inquiry of Ambassador Penfield said it had no report on the sinking of the Persia. This was told Penfield Tuesday evening, the state department announced today.

American Consul Garrels, Alexandria, Egypt, today cabled the state department he had affidavits from Charles H. Grant, an American, and twenty other survivors of the liner Persia saying the vessel was sunk without warning and that no submarine was seen.

The officers and crew of the Persia sailed for England before affidavits could be obtained. It is thought possible at the state department that they wished to confer with the British admiralty before making sworn statements.

Long consideration by the president and his cabinet today of the situation created by the sinking of the Persia left the matter standing where it had been—dependent upon information from Austria for solution.

Absolute lack of knowledge upon which to reach a conclusion was responsible. The senate foreign relations committee faced the same absence of facts and adjourned without attempting to discuss the issue.

Certain ones of the cabinet officers showed impatience at the turn affairs have taken. One talked of broken promises and said the situation called for a complete round-up on the whole submarine question, but was unwilling to say what form he thought the round-up should take.

## ROBBERS MAKE BIG HAUL

Steal \$1,000,000 Worth of Revenue  
Stamps at St. Paul

(By United Press.)

St. Paul, Minn., Jan. 7.—Robbers last night broke into the offices of the internal revenue department in the old federal building, blew the safe and escaped with \$1,000,000 in internal revenue stamps, which are negotiable, and about \$4,000 in currency.

The stamps, weighing 300 and 400 pounds, were taken away in an automobile.

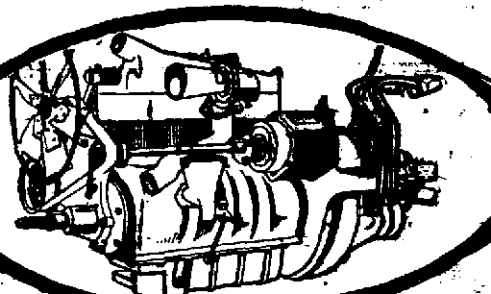

## Then and Now

In January, grandmother used to lay in several bolts of muslin and begin the long task of making underclothes for the family. Now granddaughter puts on her hat and trips forth to the White Sales. She lays in an entire stock of very much finer articles of apparel than grandma dreamed of. She pays less than grandma did and contributes nothing in the way of labor. And being altogether an up-to-date young lady, granddaughter thoroughly posts herself by reading the advertising in The Daily Republican before she begins her shopping.

### Amusement

The Princess will show the big feature "Sunday" for the program tonight. Reine Davis is shown in the role that Ethel Barrymore made famous in the stage production of the same name. It is an absorbing drama of the lumber camp and modern society life. A woman's honor is saved. The assailant pays the penalty of his baseness, falling headlong over a cliff into the waters of death. It is a gripping, exciting and heart stirring story presented by an able caste. Tomorrow matinee and night the two act comedy "The Shabbies" will be shown in which Lillian Walker is featured.

The Gem offers a two reel feature "The Masked Substitute" for the first picture tonight. William Dowlan and Gloria Fonda are featured. Miss Fonda was the winner of the Universal beauty contest. It is said to be a strong drama with a number of beautiful scenes. The other picture is a comedy entitled "Getting His Goat." William Garwood and Violet Mersereau are featured. Tomorrow Sidney Ayres and Doris Pawn will be seen in the two act drama "Honor Thy Husband."

Betty Nansen, the eminent tragedienne, who has been in such famous William Fox successes as "A Woman's Resurrection" and "Should a Mother Tell," appears at the Princess Monday matinee and night in her latest Fox photo drama "The Song of Hate" which is based upon Victorien Sardou's world-known "La Tosca." Miss Nansen gave particular study to the character of Floria Tosca, as she met Sardou in Paris during the time he was writing this drama, in which Sarah Bernhardt created the role now played by Miss Nansen.

"Nobody Home," a musical comedy success by Guy Bolton, Paul Rubens and Jerome Kern will be presented at the Shubert Murat Theatre for a limited engagement of one week, commencing Wednesday evening, January 10th, with matinee Wednesday and Saturday, with the original cast headed by Lawrence Grossmith, the inimitable English comedian, Mildred Ealine, Charles Judels, Maude Odell, George Lydecker, Mignon McGibney, Quentin Tod, Helen Clarke, Alison McBain, Nigel Baris, Carl Lyle, Coralie Blythe (Vernon's Castle's sister), Elizabeth Moore, Anne Kelly, Patrice Clarke, Elaine Ford, Rena Manning, Marion Davis, Jeanette Cooks and forty others under the direction of Elizabeth Marbury and F. Ray Comstock direct from a run of six months in Chicago.

The story tells of the coming to New York of a young Englishman, Freddy Popple, brother of the society dancer of the Metropolis, and of his meeting with Tony Miller, the prima donna of the Winter Garden. It being Mr. Popple's first meeting with an actress gives Lawrence Grossmith (Freddy Popple) a splendid opportunity for the display of his subtle humor. In this delightful musical comedy Mr. Kern has far outshone all of his former musical triumphs. "The Magic Melody," "Any Old Night," "You Don't Take a Sandwich to a Banquet," "You Know and I Know," "The San Francisco Fair," "Another Little Girl," "Bed, Beautiful Bed," and numerous song hits which have traveled far in advance of the play.

One of the most charming features of "Nobody Home" is the dancing done by Quentin Ted and Helen Clarke, latest "find" of Miss Elizabeth Marbury, late managers for the Castles. In Mr. Ted and Miss Clarke the playgoers of this city will have the pleasure of witnessing the very smartest thing in ball room dancing. Their methods are said to be distinct improvements upon most of the recent illustrations of Terpsichore's art. There is a large chorus composed of very pretty girls who wear costumes of the styles of tomorrow, no two of which are the same. The scenery was designed and planned by Miss Elsie De Wolfe, interior decorator for the smart set of New York.

Seats for this attraction can be purchased through the Shubert Murat local representative, Hargrove & Mullin.

Louisa G. Price has filed a claim against the estate of the late William Price, demanding \$681.67.

## Head Stopped Up? Can't Breathe? Try the Vick Vap-O-Rub Treatment

Applied in Salve Form Over Throat  
and Chest Relieves by Inhalation  
and Absorption.

Vapor treatments are best for inflammations of the air passages. The vapors carry the medication direct to the inflamed surfaces without disturbing the stomach, absorbed through the skin, taking out that as internal medicines will do. A very convenient vapor treatment is a good application of Vick's "Vap-O-Rub" Salve over the throat and chest, covered with a warm flannel cloth. The body heat releases vapors that are inhaled with every breath, opening the air passages, loosening the phlegm, and healing the raw, irritated tissues. For deep chest colds, first apply hot wet towels to open the pores. Vick's is then absorbed through the skin, taking out that tightness and soreness. 25c, 50c, or \$1.00.

### DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

### RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil.

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

**Was it Worth It?**  
Here's a pretty how-do-you-do! President Wilson's honeymoon, cut short by complicated international developments, cost him a cool \$2,739. The question now arises, was it worth the price? And it cost the newspapers of the country \$16,000 to tell the "folks back home" about it. Quite an outlay, what! First there was a special train which could not be induced to run for less than \$400. Then the little item of board and room for the president and his bride ran into hundreds—\$480 to be exact. Then the little thing of upkeep for a valet and maid cost the tidy sum of \$128. Auto transportation amounted to \$120. Then such an indispensable adjunct as a stenographer had to eat and sleep. That reduced the presidential bank roll by \$96. Then there are the sleuths. They are just ordinary humans and they eat three meals a day and sleep eight long hours each night. They weren't handling the president anything. Put down opposite seven secret service men \$352. And then they didn't work for nothing either. Their salaries amounted to \$685.

### "TIZ" FOR TIRED AND SORE FEET

Use "Tiz" for puffed-up, burning, aching, calloused feet and corns.

Why go limping around with aching, puffed-up feet—feet so tired, chafed, sore and swollen you can hardly get your shoes on or off? Why don't you get a 25-cent box of "Tiz" from the drug store now and gladden your tortured feet?

"Tiz" makes your feet glow with comfort; takes down swellings and draws the soreness and misery right out of feet that chafe, smart and burn. "Tiz" instantly stops pain in corns, callouses and bunions. "Tiz" is glorious for tired, aching, sore feet. No more shoe tightness—no more foot torture.

Then garage fees and gasoline and amounted to \$48 and the wages of servants a like amount. The salary of the stenographer ran up to \$64 and a little item like tips and fees amounted to \$75. And then, there's flowers, seemingly a small and insignificant item, but the bill of accounts say put down \$240 for flowers.

### What of The Future

One of the most significant statements since the war began was made lately by Elbert H. Gary, chairman of the United States Steel Corporation, dealing with the future when the warring factions of Europe will have been exhausted. Like many other persons in less influential stations in life, Mr. Gary has seen what may result with the sudden stoppage of foreign buying when the war ends, with a possible boomerang. He very wisely cautions against over-inflation and expecting too much of the future. Such things as he warns against sets the stage scenery for a panic. The great danger of the present prosperous condition due to war orders which have made themselves felt in almost every line of business in some manner or other lies in over-confidence. Here's a very prophetic statement gleaned from Gary's interview.

"But whenever the war shall close, the business of this country will be confronted with new conditions. The purchasing power of the world will have been greatly reduced. Foreign countries who are now buying our products, because compelled, will withdraw their patronage in a large measure. Other non-producing countries will find their financial resources and credits lessened. More than this, foreign producers, in great need, will strive more diligently than ever to sample the countries that are financially able to pay and at prices based upon cheap labor and low cost as they have perfect right to do.

"Our producers, including our wage-earners, will find themselves in commercial antagonism with the most persistent and difficult competition ever experienced, unless this shall be prevented by laws that are reasonable and sufficient. This is not a question of politics, nor for political parties as such. It is one of economics and of good business and it affects all the people. It is a question of the greatest good to the greatest number. There should be an effort to ascertain and establish a line of justice and fairness between the producer and the consumer.

"This is an epoch. Times are serious, perhaps critical. Financial, commercial and industrial interest of this country may be firmly established on an independent and invulnerable foundation, but there must be co-operation between all classes and departments, private and public.

We must be prepared for radical changes in volume, in prices and resources. There is danger of over-production, overextension of credit and liabilities, over-confidence. We shall have observed this before and we shall see it again. It is possible the banks will overextend their credit, particularly in favor of foreign interests who offer attractive rates, but they will take care of that matter for themselves.

"We business men should realize there is possible danger ahead in the business outlook and if we proceed with caution, however aggressively we will have done no harm and we may hereafter have reason for congratulation. We have the greatest country with the greatest opportunities and may properly be hopeful and confident."

### HOOSIER HISTORY

Prepared for the United Press by the Centennial Department of the Indiana Historical Commission.

**ORDER OF AMERICAN KNIGHTS**  
Meetings of this order, which succeeded the "Circle" were held as early as August, 1893. The first grand council in Indiana says Foulke was organized by P. C. Wright, Editor of the New York News. The state was divided into four military districts under "Major Generals" which were subdivided into "Brigadiers" and "Colonels." Harrison Dodd, "A man of romantic disposition, fond of mystery," reveling in senseless, mystical oaths, was elected grand commander. A favorite password of the order was Nu-oh-lue, which spelled backwards, was suggestive.

**Current Comments**  
A "Freeze-Out."  
(Indiana Forum.)  
Observation of Jackson Day by the Lafayette Jackson Club was made the occasion for a democratic demonstration. There is much to indicate that those who handled the affair were less concerned in doing honor to one of the patron saints of democracy than in doing injury to the progressive democrats in Indiana who are showing no disposition to stand hitched on the machine program.

In an attempt to make it appear that all is harmony, no one out of sympathy with the candidacy of J. A. M. Adair was permitted to participate in the banquet and Jam, himself, was given the place of honor on the program. It is needless to add that under these conditions everything was harmonious and lovely.

It is a perplexing task to appreciate the methods of these democratic leaders' political thinking. It seems so very obvious that their acts since the opening of the last legislature, have recognized the progressive element of the party only to insult it, that one begins to suspect there is a premeditated plan to drive this element out of the party.

On the other hand this element has shown that it won't drive; that it is democratic to the core and that it will remain in the party and wage its fight there, until one would think that a political leader with only the wit of a canary bird, would begin to think of conciliatory measures which might unify the factions.

Here is an example of what seems to be an unwise policy. Former Mayor Durgan was toastmaster of the Lafayette gathering. He is a good democrat and worthy the honor bestowed upon him but it is known from one end of the state to the other that Durgan and James K. Risk, who is one of the leaders of the progressive element in the democratic ranks, are at odds. It seems to be a personal matter between the two men and the democratic party, as such, isn't concerned in the merits of the controversy. The democratic party is concerned at this time in saving Risk and his following, which is admitted to be strong, fighting for the party's success and seems a very short sighted policy that permits Durgan and his following to openly insult a man like Risk who has fought democracy's battles for years in Indiana and has rendered service equally as conspicuous as has ever been rendered by Durgan.

The best that can be said of this situation is that it was most unfortunate and unwise.

### QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts before breakfast if your Back hurts or Bladder is troubling you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become over-worked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

Symphony Orchestra. The instruments were tuned and ready Leopold Stokov-ski, that youthful musical genius took his place amidst prolonged applause. The baton was raised. Every member of the orchestra was ready as one man. The signal was given and as the sweet symphonies floated out from the harmoniously attuned instruments my soul was enraptured, and I saw as it were a master musician seated before a great instrument. And as I listened I thought of the sweeter symphonies the children of God might play if only all were responsive to the One Master; if only Christ were pre-eminent."

## Go On Farther

The Evidence is at Your Door.

Rushville proofs is what you want and the statement of this highly respected resident will banish all doubt:

A. M. Younger, retired farmer, 828 West Tenth street, Rushville, says: "I have been using Doan's Kidney Pills off and on for about ten years and they have done me good. When a man gets as old as I, he is bound to have more or less trouble with the kidneys. At times I have a dull ache across the small of my back and it gets weak and lame. Then the kidney secretions are too frequent in passage, causing me to get up at night. Every time I have been this way, I have procured a box of Doan's Kidney Pills at Johnson's Drug Store, and they never fail to relieve me in a short time."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Younger, had, Foster-Milburn Co., Props., Buffalo, N. Y.

## RUSH COUNTY LOSES \$7,371 ON THE DEAL

Suffers as Usual in School Apportionment, Paying in More to State Than is Returned

PER CAPITA THIS YEAR \$2.03

The semi-annual school apportionment made by the state superintendent of public instruction and turned over the auditor of state shows the usual discrepancies between the amounts paid in and the amounts received by certain counties of the state. Rush county is one of these counties, as usual. This county paid the state the sum of \$16,922.15 for school purposes and will receive back the sum of \$9,551.15, showing a loss of \$7,371.

The total amount of the apportionment was \$1,560,302.66 and the counties of the state received back the money at a per capita distribution of \$2.03 for each school child. The total children of school age in the state is 768,622. The county treasurer expects the check for Rush county's share within a few days.

## KICK ON PROPOSED EMBLEM

Veterans Object to Use of Confederate Flag

(By United Press.) Evansville, Jan. 7.—Farragut Post, G. A. R., of this city and the Dixie Bee Line Association seem to be due for a clash over the design for an official marker to be used along the Bee Line. The local veterans are objecting to the use of the Stars and Stripes along with the flag of the old Confederacy, since the latter has no recognition in the United States. The use of the proposed emblem, the Union shield with the American Eagle resting on the shield, is another point under discussion.

## QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid liver. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action. If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—lick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two Little Dr. Edwards' Olive Tablets at bedtime. Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.

## UP-TO-NOW IN DESIGN

Designs as shown by some firms are more or less freakish or fadish to attract the attention of the prospective customers with scarcely a thought of their wearing appearance or correctness in proportion. But then they are merely on paper and represent but a small loss if they don't take. #### Old and New Way To Treat Catarrh

##### Breathing a Germ Killing Air Endorsed by Actual Results

The discovery of Hyomei has wrought a wonderful change in the treatment of catarrh.

Prior to three years ago the medicines ordinarily employed in the cure of this disease were drugs, sprays, lotions, etc. In some instances they benefited, but the improvement was not lasting.

With Hyomei you take into the air passages of your throat and head a balsamic air that goes into the minutest cells, and should effectually kill all germs and microbes of catarrh. Its purpose is to enter the blood with the oxygen, killing the germs in the blood, and restore health to the whole system. Many astonishing testimonials have been received from those who have been helped by Hyomei.

A complete outfit is inexpensive and includes an inhaler, dropper and sufficient Hyomei for several weeks' treatment.

Perhaps the strongest evidence that can be given to doubters, is the fact that Johnson's Drug Store have so much faith in Hyomei that they sell every package under a positive guarantee to refund the money if it does not relieve.

### PLAINTIFFS ARE ABOUT FINISHED

Expected Defense Would Begin Introduction of Evidence in Miller Will Case Thursday.

#### THREE EXPERTS ON THE STAND

Testify, in Answer to Hypothetical Question, That Mrs. Miller Was of Unsound Mind.

It was expected that the plaintiffs in the suit of Stella Platt and Bertha Tonnes against Leonidas Mull, executor of the will of the late Nancy Miller, Ida Clingman and Mary E. Edmondson, on trial at Shelbyville will finish their side today. Considerable progress was made Thursday.

The greater part of yesterday afternoon's session of court was taken up with the examination of Dr. Leslie C. Sammons, Dr. Charles A. Tindall and Dr. William W. Tindall, as experts, regarding the mental condition of the late Mrs. Miller. A hypothetical question covering seven typewritten pages and including in it all the facts bearing on this point as given in the testimony up to the present time was put to each of the physicians. The three doctors testified that upon the facts as given in the question Mrs. Miller was of unsound mind.

Nearly all of the morning session was taken up with the reading of the depositions of Retta Chamberlain, Thomas Cochrel, John J. Veatch, Amanda Veatch and John Cochrel. Mrs. Platt, one of the plaintiffs was on the stand a short time.

Especially interesting was a newspaper introduced by the plaintiffs. It was a publication printed in Manila and contained an article written by Mrs. Clingman concerning her mother, Mrs. Miller, shortly after the trial of Rolla Clingman for the murder of Mrs. Miller's husband.

A number of witnesses from this city who were subpoenaed in the case for today were told they would not be needed.

### CHRISTMAS SPIRIT TOUCHED A THIEF

Package Opened Today at E. R. Casady's Contained Note Saying Goods Was Unpaid For.

#### WAS LEFT BEFORE CHRISTMAS

The Christmas spirit worked wonders with some shoplifter who had been operating in Rushville, it developed today. That unseen something caused some unknown person, during the holidays, to leave a package in E. R. Casady's dry goods store, a package which, it was learned today when opened, contained goods worth between four and five dollars. Inside the package were these words printed on a card:

"This goods has been returned to Casady's store. Not paid for."

The package was found on the counter by a clerk shortly before Christmas and it was presumed the bundle had been lost by someone. It was stored away with packages uncalled for and lost. Today it was opened because the clerks at the store felt that if the loss had not been detected by this time, it never would be. The bundle contained some things which have not been carried in stock for three or four years.

### JAIL PRISONERS MAY HAVE TO WORK

Connersville is Agitating Some Method to Lessen Number of Men in County Bastile.

#### OFTEN SOME ARE FROM HERE

Connersville is agitating a work house or a plan of working the prisoners on the streets as a method of lessening the number of recruits to the county jail from other cities. At present the taxpayers of Fayette county are furnishing food for three men in jail there, two of whom are from Rushville. The punishment of eleven days in jail is said to hold no horror for this class of citizens because they are glad of the opportunity to be inside the warm jail. The two prisoners from this city in jail there were fined for intoxication and as it was their first offense the mayor was unable to send them to the penal farm. It is stated that the officials are tired of boarding the Rushville men, who go there to get "tanked up," and as a solution the county commissioners may be asked to provide for a work house, or at least give the sheriff permission to work the prisoners.
